## DETAILED ACTION

### *Drawings*

1. The drawings were received on June 13, 2005. These drawings are accepted.

### ***Claim Rejections - 35 USC § 102***

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claim 3 is rejected under 35 U.S.C. 102(b) as being anticipated by Young, US #5,038,505.
4. Young discloses a picture holder capable of holding pictures comprising a stable supporting device including two downwardly and outwardly extending flaps 12 coupled together by an upper portion (Figures 1 and 2). A loose-leaf binder device is secured to the upper panel with fasteners (Figure 1) and includes retaining strips 2 held in transverse slots 11. Binder rings 21 pass through the slots and are fixed on the retaining strip for detachably holding display items (Figure 2).

### ***Response to Arguments***

5. Applicant's arguments filed June 9 and June 13, 2005 have been fully considered but they are not persuasive.
6. Applicant argues that the loose leaf binder device is not shown in the prior art. The Young reference has been applied in response to Applicant's more detailed limitations of the binder device in the claims.

***Conclusion***

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
